INVITATION to the 'HUNTER APPEAL DINNER' for the 2012 AUSTRALIAN OLYMPIC TEAM

On 27 July 2012, London will stage the Opening Ceremony of the 2012 Olympic Games marking the start of competition for 10,500 elite athletes from over two hundred nations. Australia has a proud record at the Olympic Games and our 2012 Australian Olympic Team - comprised of approximately 400 athletes - is aiming for a top five position on the Gold Medal, and the overall medal tallies. For a relatively small nation we will once again be punching well above our weight to meet this challenge.

Our athlete's endure a tough and unforgiving journey to the Olympic Games sacrificing a life time to training and competing. When the competition begins in London they will carry with them the hopes and expectations of our sports loving nation.

Our athletes have always enjoyed the support from all Australians and for these Games the Hunter Fundraising Committee wishes to continue this legacy by staging an Appeal Dinner for the Team on Friday 30 March 2012 at WESTS New Lambton. The 'Appeal Dinner' represents the major opportunity for the Hunter business community to support and farewell our Australian athletes prior to their departure for London. Prospective Members of the 2012 Australian Olympic Team will be joined by our local Olympians. The dinner promises to be a highlight of the Hunter's sporting, business and social calendar.

The cost is \$2,000 for a table of ten or \$200 per person. There also exists the opportunity to increase your financial involvement in the dinner by becoming an Event Supporter, with details attached. The AOC will invite a Prospective 2012 Team Member or an Olympian to join each table.

The Hunter Appeal Dinner is aiming to raise over \$50,000 for the 2012 Australian Olympic Team as part of the AOC's national fundraising program. The AOC remains independent from federal government financial support. All funds raised from this dinner will go directly to prepare and send the 2012 Australian Olympic Team to London.

To be a part of this Appeal Dinner please contact the New South Wales Olympic Council (AOC) at nswoc@olympics.com.au or call (02) 8436 2100. Further information is detailed in the enclosed Invitation and Booking Form.

Thank you for your support of the 2012 Australian Olympic Team. We look forward to seeing you at the dinner.

Kind regards,
